

Your body, the chair, the floor and everything else we perceive with our five senses consists of energy – or light and information - vibrating at a certain frequency. Today the Consciousness Technology of Matrix Energetics™ allows Quantum Entanglement – wherein this energy may be transformed, resulting in a more desirable situation than previously experienced. This is accomplished via focused intention, using technologies taught by Dr. Richard Bartlett, et al.

- STRESS -

Causes all manner of illness and disease.. Including High Blood Pressure.. it Results in Tension Headaches, and even Depression.. Damages Mental Health, yielding Break ups in Relationships, Increases any concern over Financial Problems, and Tears at the Fabric that holds Families together...

No matter WHAT the problem is -

Without the STRESS it creates in our lives – along with the discomfort and dis-ease that follow - be it illness, pain, insomnia, chronic worry, irritability, arthritis or any manifested condition or situation –

Using Matrix Energetics™ along with Focused Intent, we can Dissolve - and then Eliminate Stress.. and everything in your life gets better. The process may advance the life plan, and enable growth in any area desired. Expect to have fun, engage with a playful spirit, and let whatever happens be OK. For major positive changes – or simply to relieve pain and discomfort.

Transform:

- **Physical Concerns**
- **Financial Issues**
- **Relationships**
- **Mental Awareness**
- **Emotional Blocks**

Using the “Ancient Secrets of Psychic Healing”, Seventh Sense, Medicic and other proven effective protocols, we are able to Transform energy and information that was formerly not serving us and “collapse the wave” into a new, more desirable outcome.

With offices in Lake Jackson and Brazoria, author of *out of the blue – miracles for beginners*, intuitive healer and spiritual consultant Rev. George Thomas is a Certified Hypnotist and a Certified Practitioner of Matrix Energetics™. ..And, yes, “We can help you with that.”
